

## Can We Talk? (Straight from the Horse's Mouth)

What does "speaking" have to do with "writing?" Plenty! This year's Composition classes have been exploring the link between the two forms of communication, as students overcome their fears and explore self-expression in both formats.

Unfortunately, horses can't speak for themselves. Savannah Rauch, however, gave a presentation on the sport of Gymkhana and brought her mare "Sunshine" to school. Savannah has been riding for most of her life, entered her first competition when she was 9, and has been training and competing more seriously since last summer.

The team of Savannah and Sunshine participate in the Gymkhana events of pole bending, speed barrels, and barrel racing.

Callen Moon describes his "cherried out" Yamaha 80, a father/son project that involved a complete teardown and renovation.

## **Meet Mindy!**

Hello, I am Melinda (Mindy) Dixon and I am teaching Algebra I and Geometry at Glacier High's Kingsburg campus. I am a resident of Fowler and Graduated from CSU Fresno in 1990 with a BA in Mathematics and a teaching credential. The last two years I taught math at Sherman Thomas Charter High School in Madera, but wanted to teach closer to home. I have three children in college, Ryan and Ian are attending CSU Fresno and Emily is in her second year at Reedley College. This year I celebrated 27 years of marriage to my husband Wayne, who is the Principal of Abraham Lincoln in Selma. In my spare time I love to play Words with Friends and work on puzzles. I am looking forward to working with the students of Glacier Charter School and getting to know my students.

## *It's Your Destiny... Don't Fight It...*

Cinnamon rolls go on sale immediately (freezers have already arrived with "the goods") for the annual senior graduation fundraiser. Support our seniors and smile.

These decadent little (actually, large) morsels are available for \$20 a tray (six to a tray). These are the same cinnamon rolls made popular at county fairs statewide.

Your purchase helps reduce costs associated with the end-of-year graduation ceremony. The satisfaction of helping out those seniors should be an effective counterbalance to any feelings of guilt over your diet.

**Just do it!**
