

The votes are in for Grad Nite 2015, we are going to Magic Mountain!

All graduating seniors have an opportunity to participate in Grad Nite on May 21st to Six Flags Magic Mountain in Valencia California. The total cost will not exceed \$140. This includes transportation to the event, dinner, picture, early access to rides, ticket, and a glow in the dark wearable souvenir.

We are still finalizing the schedule but we anticipate leaving from our Oakhurst campus Thursday at 4:30pm with a stop at our Kingsburg Campus at 5:45pm. We will enter Magic Mountain at 9pm and you will enjoy an early admission dinner with early access to the rides. 11pm - 5am enjoy the rides and celebration. We should arrive back Friday morning at Kingsburg around 8:45am and Oakhurst around 10am. Parent Chaperones are welcome for additional cost.

We will provide more information as we receive it. You can visit their website by [clicking here](#) to see a promotional video. I found the FAQ section very helpful. [Click here to see Frequently Asked Questions regarding Grad Nite at Magic Mountain.](#)

We would like an initial deposit of \$80 per student and \$65 per chaperone by Friday December 5th for those that want to attend. This will allow us to work out final numbers and costs.
