

ROV HOMEWORK

Homework assigned 9/26/13

Due: Oct. 3rd

1. Read the **2014 MATE ROV COMPETITION: MISSION TASK AND SPECS BRIEFING** – you can find this file at www.glacierhighcharter.org/robotics-and-engineering.html or [click here](#).
 - a. Summarize the Theme
 - b. Come up with a list of features our ROV's may need to complete the tasks
2. Come up with 1 fundraising idea or a business we could ask for donations.
